

Dodds leads Canada at v-ball qualifying

The StarPhoenix - July 8, 2009

Tiffany Dodds of Lucky Lake is globetrotting with Canada's national volleyball team this week.

Dodds and the Canadian team are in Caguas, Puerto Rico, until Thursday trying to qualify for the Women's World Championship. They will need to overcome Jamaica, Costa Rica and Puerto Rico to gain the single available berth.

The Canadian team was in Miami last weekend competing in the Pan-American Cup. They finished seventh out of 11 teams. Dodds was Canada's top scorer. Brazil won the tournament by defeating Dominican Republic 3-0.

Dodds and Tonya Mokolki of Weyburn play the outside position for Team Canada.
