

Gibson paddles her way on to team

The Leader-Post - June 30, 2009

Regina canoe/kayaker Megan Gibson has been named to the national team that will represent Canada at the Junior World Cano/Kayak Championships in Moscow July 31-August 2.

Gibson, a member of the Wascana Racing Canoe Club, has been a member of the Canadian developmental team for the past 18 months and represented Canada at the Pan Am Canoe/Kayak Championships in 2008.

Shylo Wolf of Saskatoon will join Gibson on the team as Saskatchewan's only representatives.

The two athletes will spend the next few weeks training with the national team in preparation for Moscow and will return home in August to compete for Saskatchewan at the Canada Summer Games in Prince Edward Island.
