

Coach Visitation Program

Introduction:

In order for High Performance Coaches from Saskatchewan to gain knowledge and experience, it is important to be exposed to experts in the sport. The Canadian Sport Centre - Saskatchewan Coach Visitation Program is designed to assist Provincial Sport Governing Bodies (PSGB) and High Performance Coaches when National Coaches or experts are planning on being in Saskatchewan for competitions or clinics. Up to \$750 is available once per fiscal year per PSGB.

Purpose:

To support PSGBs with an opportunity to advance the training and education of High Performance coaches in Saskatchewan by providing increased access and exposure to National team or other expert coaches.

Eligibility:

To be eligible, there must be a National Coach or coaching expert traveling to Saskatchewan for a planned competition, camp or coaching clinic.

PSGB Responsibilities:

- a) PSGBs will be responsible for applying to the Canadian Sport Centre - Saskatchewan outlining Visitation Program objectives, the timelines of the competition, camp or clinic utilizing the National coach or expert at least 30 days prior to the event (no retroactive funding available);
- b) Submit a budget outlining revenues, expenses, and amount requested;
- c) The PSGB will provide a list of perspective coaches and the expected learning outcomes from the clinic;
- d) Provide coaches in attendance with an evaluation form and forward to the Canadian Sport Centre - Saskatchewan after the event;
- e) Provide a report following the clinic outlining the program objectives that were met.

Canadian Sport Centre - Saskatchewan responsibilities:

- a) If approved, the Canadian Sport Centre - Saskatchewan will provide financial assistance to offset costs associated with conducting additional clinics. Eligible costs include but are not limited to: extra accommodation, per diem expenses, honoraria, room or facility rental etc.
