Eligible Sports

Athletes that compete in Olympic and Paralympic sports or sports that meet Sport Canada AAP eligibility criteria are eligible to receive services provided they are AAP carded and/or they are identified by the Provincial Sport Governing Body as part of a service agreement.

Registering with the CSCS

To access the services athletes must be nominated by their provincial and/or national sport governing body. Each year an athlete must complete an intake (or retake) interview and provide up to date information for the database. Intake interviews can be arranged by the coach for a group session or delivered as a one on one session for identified athletes.
